## Kamboh Technologies Private Limited

### Professional Project Agreement

#### Company Introduction

Kamboh Technologies Private Limited is a professional software and IT solutions company dedicated to providing high-quality digital products and services including mobile app development, web solutions, and technology consulting. Our mission is to deliver reliable, innovative, and customer-focused technology services to businesses and individuals worldwide.

#### Contract Rules

- **Advance Payment:** 30% of the total project amount must be paid in advance before the start of work.
- **Mid-Project Payment:** 40% payment will be made when 50% of the project work is completed.
- **Final Payment:** Remaining 30% payment must be cleared upon final delivery and before the project completion deadline.
- **Pre-Project Meeting:** A meeting will be held before starting the project to finalize the requirements, rules, and timelines.
- **Changes & Revisions:** Minor revisions are included. Major changes after project approval may result in extra charges.
- **Timeline Commitment:** Both parties must strictly follow the agreed deadlines. Delays caused by the client may extend the delivery date.
- **Confidentiality:** All client data, content, and project materials will be kept strictly confidential.
- **Ownership Rights:** Full ownership of the project will be transferred to the client after final payment is completed.
- **Communication:** Regular communication will be maintained throughout the project via WhatsApp, Email, or other agreed platforms.
- **Termination Policy:** If the client cancels the project midway, the advance amount will not be refundable.
- **Support:** Post-project technical support will be provided for an agreed duration.
